

# Appendix E—Meeting Acquisition Corps Education Standards

## Statutory Education Requirements

Statutory standards for membership in the Acquisition Corps are specified in 10 U.S.C. 1732. The following is an abbreviated summary of Acquisition Corps education standards prescribed in 10 U.S.C. 1732(b)(2):

A baccalaureate degree and either:

- 24 semester credit hours of study at an accredited institution from among the following disciplines: accounting, business finance, contracting law, purchasing, economics, industrial management, marketing, quantitative methods, and organization and management; **or**
- 24 semester credit hours of study at an accredited institution in the individual's acquisition career field and either 12 semester credit hours from among the above-listed disciplines or training in these disciplines equivalent to the 12 semester credit hours.

The option to substitute equivalent training for the 12 semester credit hours in the disciplines specified was provided by Sec. 812(e) of Public Law 102-484, "The National Defense Authorization Act for Fiscal Year 1993," 23 October 1992, which amended Section 1732(b)(2)(B) of Title 10, United States Code.

## American Council on Education (ACE) Recommended Credits

The standard of 12 semester credit hours in the disciplines may be met by successful completion of comparable training courses that carry an American Council on Education (ACE) credit recommendation. ACE credit recommendations for DAU courses are listed in the first table of this Appendix.

ACE credit recommendations may only be used to meet the 24-semester-hour requirement in business disciplines for contracting personnel and Acquisition Corps membership if those credit recommendations have been accepted by, and appear on, an official transcript (or comparable document) from an accredited institution of higher education. The American

Council on Education evaluates formal education, training programs and courses sponsored by Service schools, other DoD organizations, other government agencies, business, and industry, and makes college credit recommendations. The ACE itself does not grant academic credit; rather, the ACE evaluates courses offered by nonaccredited organizations and recommends the amount of course credit judged worthy of being granted by an accredited institution.

Those planning to use ACE credit recommendations for college or university degree programs must have their education and training experiences reviewed by their institution's admissions officer.

Courses bearing ACE credit recommendations are offered at DoD schools, other Federal agencies, and through commercially sponsored programs. Descriptions of these courses, along with their corresponding credit hour recommendations and subject area designations, are contained in four volumes published by the ACE: *The Guide to the Evaluation of Educational Experiences in the Armed Services* (three volumes) and *The National Guide to Educational Credit for Training Programs* (one volume), which contain courses offered by other Federal agencies and the private sector. ACE guides are typically available in civilian personnel training offices and in DoD education centers.

## College Credit Hours for DAU Courses

The following table shows the current ACE college credit hours recommended for DAU courses as semester hours and applicable date restrictions. For more information or for DAU courses taken prior to the dates listed in this chart, please refer to *The Guide to the Evaluation of Educational Experiences in the Armed Services*, located at your education center, college, or online at [www.acenet.edu](http://www.acenet.edu). For updates to these recommendations, consult the online DAU Catalog at [www.dau.mil/catalog](http://www.dau.mil/catalog). The DAU point of contact for the university's ACE accreditation is Mr. Corey Davis; he can be reached at (703) 805-3576, DSN 655-3576, or by e-mail at [corey.davis@dau.mil](mailto:corey.davis@dau.mil).

1/90–9/97	3 semester hours graduate category	Procurement Management
5/93–3/98	1 semester hour, lower division baccalaureate/associate category	Procurement

## College Credit through Examination

Employees who are required to have 24 semester credit hours in the business disciplines to qualify for the Acquisition Corps or for contracting positions may meet all or part of the credit hour requirement through successful completion of examinations administered by the Defense Activity for Non-Traditional Education Support (DANTES).

Whenever semester credit hours are required for certification, DANTES examinations may be substituted. DANTES sponsors the College Level Examination Program (CLEP) and DANTES Subject Standardized

Tests (DSSTs) through the College Board and the Educational Testing Service (ETS). Seven tests are available, and a passing score on an examination qualifies the student for 3 semester credit hours toward the Acquisition Corps education standard.

Tests are administered to eligible personnel at military education offices that have DANTES Test Centers. A directory of military education offices is available on the DANTES Web site ([www.voled.doded.mil](http://www.voled.doded.mil)). Follow the links to DANTES, Examination Programs, and Test Center Lookup. The following table provides information on the tests and the credit hours that may be applied toward the Acquisition Corps education standards.

College Level Examination Program (CLEP) DANTES Subject Standardized Tests (DSST)		
Acquisition Education Requirement	DSST or CLEP Examination	Semester Credit Hours
Accounting	DSST 525 - Principles of Financial Accounting	3
Business Finance	DSST 524 - Principles of Finance	3
Economics	CLEP 036 - Principles of Macroeconomics	3
	CLEP 037 - Principles of Microeconomics	3
Law	DSST 534 - Business Law II	3
Marketing	CLEP 023 - Principles of Marketing	3
Organization and Management	DSST 530 - Personnel/Human Resources Management	3
	DSST 531 - Organization Behavior	3
Quantitative Methods	DSST 450 - Principles of Statistics	3
